### **Information on Rough Creek Wheels Event**

Nowhere in Texas is your Land Rover more at home. Much like your legendary vehicle, Rough Creek Lodge and Resort offers rugged adventure wrapped in elegant appointments. Land Rover Texas has created a new off-road experience exclusively for our owners in the Austin and North Texas areas. You will drive a brand new 3.5 mile off-road course designed by the legendary Land Rover University Camel Trophy Driving team. The course will challenge you and your vehicle but is still tame enough for any stock Land Rover. Each turn overlooks the vistas of a true Texas ranch. You will receive hands-on training along with an unprecedented confidence in the capability of your Land Rover.

[Reserve](#) your place now for the upcoming complimentary Land Rover Wheels adventure. Join other new Land Rover owners to test the capabilities of your vehicle and become part of the rich tradition and community that is the Land Rover experience. Off-road driving challenges will include cone races to test turning ability, blind-folded driving with a passenger guide to test navigation, an off-road course to see four-wheel drive in action and Texas Ranch-style GPS scavenger hunt!

Planned to be fun for the whole family, this complimentary Wheels event includes the use of the pool facilities and grounds, children's fossil hunt, lunch prepared by the award-winning Chef Gerard Thompson and an exclusive (optional) accommodations package.
